FRANK HUME—In putting up Frank Hume as their candidate for the Legislature, the democrats of Alexandria city and county have made a first-class nomination. It is impossible to see how they could have done better. A fine business man and a noble gentleman, whose heart and hand are open to all just and proper demands of charity, Frank Hume will make a representative of whom any people might well be proud. Shrewd, sensible, a gentleman of means, and yet plain and practical, he is a tower of strength. There are times when the wisest policy of a party demands that it should support its opponents. This crisis has been reached in Alexandria city and county, and the best thing the republicans of that vicinity can do is to wheel into line and support Hume. There is no use or sense in opposing him. They can't find a better man, and he will certainly be elected. Always a friend of the negro, that race has many solid reasons for supporting him. He will sweep the city and county, and whatever help the *Lance* can give him will be freely offered. It is true we do not believe he will need our aid; but, we would like to help to swell his majority so as to make the thing unanimous. Mr. Hume will have our best wishes and all the aid we can give him.—*Fredericksburg Free Lance*

GOOD TEMPLARS—Notwithstanding the inclement weather of last night the Good Templars' hall, on Fairfax street, was crowded with the members of the order to welcome the Grand Secretary, George W. Hawxhurst. The meeting was a most interesting one and was presided over by Captain John Gray, of Leesburg. The session was turned into an experience meeting when addresses were made by Messrs. G. W. Hawxhurst, of Falls Church; John Gray, of Leesburg; W. J. Kidwell, of Washington; Ray L. R. Dyott, and Messrs. H. M. Polz, N. S. Greenaway, John H. Trimmer, John F. Birrell, Geo. H. Hayden, Ernest R. Boyer, and Mrs. Woodward, of this city. Under the order of the song service was entertaining, and was heartily enjoyed. A literary and musical entertainment will be given by this lodge at their hall on Thursday night Oct. 3, and a fair will be held during next month. A committee was appointed to arrange for public temperance meetings on Oct. 6th, 7th, and 8th, at which time Col. Geo. W. Carter will be present and deliver lectures. The visit of the Grand Secretary created a revival of interest in Golden Light Lodge, as he is an earnest temperance worker. The lodge will pay a fraternal visit to Friendship Lodge, of Washington, next Monday night.

GORTON'S MINSTRELS—The above company, including Prince Tanaka, "the greatest of all Japanese artists," will appear at Hill's Opera House next Saturday evening. This organization is said to contain among its members some of the best minstrel talent in the country. The songs, sketches and specialty acts are admirably given, and the jokes possess the merit of a considerable degree of freshness.

DEATH OF LITTLE FANNIE STUART—Little Fannie Stuart, the bright and interesting daughter of Mrs. Ruth and the late Judge Charles E. Stuart, died this morning at her home, on Washington street, after a long illness.

The best medical writers claim that the successful remedy for nasal catarrh must be non-irritating, easy of application and one that will reach all the remote sinuses and ulcerated surfaces. The history of the effort to treat catarrh during the past century is a record of failure. The only remedy that has met these conditions, and that is Ely's Cream Balm. This pleasant remedy has mastered catarrh as nothing else has ever done, and both physicians and patients freely concede this fact. The more distressing symptoms yield to it.

MONETARY AND COMMERCIAL.

NEW YORK, Sept. 25.—The dullness in the stock market continued this morning. First prices were from 1/4 to 3/4 higher than last evening's closing figures. The general list was intensely dull; but, as was natural, displayed a drooping tendency. There was more animation at the lower range of values, and at 11 o'clock the market was fairly active and weak at the lowest prices reached. Money easy at 5 1/2%.
